

Plastic Surgery Center Professional Skin Care

Skin Care Analysis

\$75 (Fee applicable toward service purchase)

Meet with our highly trained clinical staff to discuss your skin's history and recommendations for treatments.

Dermaplaning

\$30 / single Included with Microdermabrasion or Chemical Peel

An advanced controlled exfoliating treatment using specialized blades to help "refinish" the skin's top layers. Can be performed alone or prior to other treatments. Remove the "peach fuzz" that can trap excess dirt and oil. It is non-invasive and helps to make Microdermabrasion and chemical peel treatments even more effective.

Vitalize Peel

\$150 / single \$400 / series of 3 \$750 / series of 6

Skin Medica brings the benefits of alpha - hydroxy, retinoic acid and other peeling agents in a unique blend to provide strong, but gentle treatment that is appropriate for all skin types. Vitalize Peels have been clinically proven to help reduce signs of aging, acne, blotchiness and hyperpigmentation.

Illuminize Peel

\$125 / single \$300 / series of 3 \$550 / series of 6

Reveal healthier, glowing skin - ideal for patients looking for a gentle non invasive superficial peel. Combined alpha - hydroxy acid treatment to improve photodamaged skin, fine lines, wrinkles, and pigment irregularities.

Biomedic Micropeel

\$100 / single

Treatment used for tone and clarity of skin. Dermaplaning and application of Glycolic Acid solution, to shed dead skin cells and free pores of impacted debris.

Clinical Facial / Gentlemen's Facial

\$75 / single \$400 / series of 6

This treatment includes steam, extracting clogged pores and a medical grade alpha hydroxy acid followed by a relaxing mask and massage using a Russian technique. It targets a variety of skin disorders including aging skin, sun damage and rosacea. For men, this treatment prevents ingrown hairs and razor burn.

DiamondTome Microdermabrasion

\$125 / single \$600 / series of 6

This state of the art skin renewal process uses mechanical means to stimulate production of healthy skin cells and collagen. It improves skin tone and texture while reducing fine lines and wrinkles.

Microdermabrasion Plus

\$170 / single \$800 / series of 6

This exceptional treatment combines the mechanical exfoliation of microdermabrasion and the chemical exfoliation of an Illuminize chemical peel. It will provide a deeper exfoliation resulting in maximum results with no down time.

Plastic Surgery Center Diamond Maintenance Package

\$2400 series of 12 (6 each - BBL & Microdermabrasion)

Spaced one month apart, this series of treatments is designed to maintain a healthy glow and toned skin all year round. Alternating the physical exfoliation and renewal of microdermabrasion with the benefits of BBL technology will allow your skin to achieve its maximum potential. The improvement of blotchy pigmentation, ruddy complexion, sun damage, pore size and small vessels goes above and beyond what topical treatments alone can achieve.

Anti - Aging Facial

\$90 / single

This facial features intense hydration with application of Skin Medica's premier products, TNS Recovery Complex, Hydrating Masque, Serum Treatment and Eye Cream.

Acne Treatments:

Micropeel Plus / Acne Treatment

\$100 / single

Treatment involves Salicylic Acid Solution to help smooth fine lines, reduce the appearance of acne scars, reduce acne and stimulate new skin growth, while exfoliating dead skin cells.

Microdermabrasion and Bluelight

\$150 / single \$500 / series of 4

This treatment combines the exfoliation of a Microdermabrasion and the acne treatment of BlueLight. Microdermabrasion removes old skin cells and the BlueLight Acne Treatment eliminates the bacteria that causes acne that will penetrate more deeply and offer a more effective result.

BlueLight with Levulan*

\$250/ single

\$900 / series of 4

This treatment is one of our most aggressive acne treatments. We combine the BlueLight Acne treatment with Levulan (aminolevulonic acid) to allow the BlueLight to penetrate your skin to its maximum capabilities. *This treatment will require you to avoid sun exposure for several days.

Waxing:

Lip - \$10

Brows - \$12
